

Introduction

Our speaker today serves up a delightful combination of real life education and experience. He is a trader, Investment Advisor, business owner, Certified Public Accountant, Chartered Financial Consultant, and you might know him as a former regular guest contributor on the Fox Business Network from 2008-2020.

Before venturing out on his own, he had worked at such firms as Bear Stearns, Coopers & Lybrand, Hambrecht & Quist, Northwestern Mutual/Robert W. Baird.

His over 40 years of extensive research and analysis will ring true to everyone. Please help me welcome the author of the book “Profiting in Economic Storms: A Historic Guide to Surviving Depression, Deflation, Hyperinflation, and Market Bubbles” ... Dan Shaffer
